Mr. David Johnson
299 Fern Avenue
Long Island, ME 04050

Dear David,

On behalf of the Planning Board and citizens of the Town of Long Island I would like to thank for your years of service on the Planning Board. You are the last of the Board's "Plank Owners", a nautical term that I'm sure you are familiar with, meaning in this instance that you have served on the Board since it was "launched" in 1993. Your quiet manner, insightful comments and extensive knowledge of the town and town land use issues will be missed.

For the Planning Board,

Curtis Murley
Chairman
Town of Long Island Planning Board
