

Town of Long Island  
Year-Round Housing Committee  
Minutes Feb. 7, 2007

Present: Mark Greene (Chair); Ruth Peterson (Selectman); Tammy Hohn; Amy Tierney; Katie Wegner; Michael Maloney

Meeting called to order at 7:00 p.m. This was to be primarily a workshop meeting to finish the surveys. Members had agreed to closely review the draft surveys prior to the meeting and we would focus on that.

Old business:

1. The committee agreed to accept the minutes of the previous meeting as previously distributed.
2. The committee discussed the proposed cover letter to be sent with the upcoming housing survey. Changes were discussed and incorporated. Mark will get out the final drafts by e-mail.
3. The committee discussed the survey to be sent to year-round and seasonal residents. Changes were also discussed and many revisions made. A final draft will be also sent out for review before next meeting.

New business:

1. Mark noted that he had received the necessary paperwork to incorporate the YRHC as a 5013c. The Genesis Foundation will assist him in this.
2. A list of "bullet" discussion points was previously sent out to all concerning the school consolidation issue, as they are a good model for us to develop a focused, easy to understand set of ideas easily conveyed to others to continue our education work on the seriousness of the housing issues on Long Island.
3. The committee agreed to meet at the same time next week and focus on making a list of discussion points for Long Island Housing Issues. Members should bring in specific proposed ideas for this list.

Meeting adjourned at 8:45
