

Town of Long Island
Year-Round Housing Committee
Minutes, 3 May 2007

Meeting called to order 7:08 p.m.

Present: Mark Greene (chair); John Billings; Mike Maloney; Leah Doughty; Will Tierney; Amy Tierney; Jonathan Norton; Katie Wegner; Mary Nanos; Tammy Hohn; Alden Robinson (Island Fellow).

Minutes from previous meeting accepted.

The committee discussed the proposed town meeting voter-letter. Amy Tierney and Katie Wegner submitted corrections. All signers agreed to accept the letter. Mark Greene said it would be sent to voters on Friday or early in the following week.

The committee discussed its presentation at town meeting. It was agreed that committee members should remain seated in the audience rather than come forward as a group. The committee also discussed whether to request for a paper-ballot vote. Mark Greene said that, in his opinion, a paper ballot would be unnecessary and the committee would be better served by a hand vote anyway. John Billings suggested that committee members bring potential questions to the next meeting in order to anticipate voter reactions to the proposal.

The committee agreed to meet on May 10th at 7 p.m. at the library.

Meeting adjourned 7:35 p.m.
