Planning Board Subcommittee Members Present: John Billings and Curt Murley

Public Participants: Nancy Jordan

The Emma M Horr and Thomas J McDonnell subdivision land plans were reviewed and the paper streets created at the time they were registered at the Cumberland County Registry of Deeds were identified.

Using the current town parcel map, Google Earth, the Town of Long Island 1997 Notice to Extend Deadline of Automatic Vacation of Paper Streets, and workshop participants' local knowledge regarding use of these subdivisions' paper streets, the current status of each paper street in these subdivisions was determined.

Curt will create annotated copies of the registered land plans of these two subdivisions and will post them on the Paper Street Project Subcommittee webpage on the town website showing the results of this meeting.
