Unnamed Paper Street #1 – Connects Ocean Avenue to Lennox Avenue.

This street is a portion of a street identified as Stony Row on 1997 Notice to Extend Deadline of Automatic Vacation of Paper Streets. This paper street extends from Lennox Avenue to the shore. In a vacation order recorded as Bk: 4615 Pg: 344 this street is referred to as a portion of Lennox Avenue.

Most of our time was spent familiarizing ourselves with the development that has occurred in these two subdivisions over the years. Mark Greene and John Billings were most helpful in this process, being able to call on their extensive knowledge as long time island residents.

The subcommittee will not meet the next two Tuesdays, March 28th and April 4th. Weekly meetings will resume on April 11th.
