Selectmen's Discussions and Decisions
May 8, 2014

Selectmen present: Tom Hohn, John Norton, and Marie Harmon

1. Reviewed correspondences from residents

2. Met with the Town Clerk and Mark Greene to discuss Town Meeting proceedings.

   It would be beneficial for candidates for Selectman and School Committee to be able to say a few words before the vote. Residents have shown an interest in hearing from the candidates prior to the election.

3. Discussed changes to parking regulations.

   Discussed the possibility of eliminating the warning system as it has created confusion in ticketing.

   Also discussed the possibility of the Parking Lot Attendant only issuing tickets and the Town Clerk posessing the violator list in order to determine if the violator receives a warning or a fee.

4. Discussed meeting with the roads consultant.

   The consultant, the former NH Road Commissioner, observed the roads with one of the Selectmen and brought her suggestions to the contractor. She also suggested that, while the Town has very good ditches, the Town's next project should be to scalp the shoulders on the roads for better drainage.

   Municipal Resources, Inc. has offered to provide training to the Board of Selectmen, or other Town appointees, to better review the roads, make a work plan, budget, and review road work in the spring.

5. Discussed the hiring process for the Town Administrator position.

   The job will be posted on the Town website, on the Maine Municipal Association website, and in the Portland Press Herald. Interviews will be held in mid-June and the appointment will begin July 1, 2014.

6. Discussed a date for the Long Island Store liquor license public hearing.

   The public hearing will be set for June 5, at 7:30 pm.

7. Selectman Norton made a motion to adopt the post-issuance compliance policy for tax-exempt bonds.
