Selectmen's Discussions and Decisions
May 29, 2014

Selectmen present: Tom Hohn, John Norton, and Marie Harmon

1. Selectman Hohn and the Island Fellow conducted an inspection of the Transfer Station.

2. Met with Towanda Brown to discuss use of the Community Center rooms for basketweaving and "decorate-a-dish" classes.

   Towanda would like to expand programming to utilize the Historical Society space, as the Historical Society exhibit will be at the Dodwell Gallery this summer. Furthermore, Towanda is interested in getting a BYOB license for these classes, modeling the popular "Art Night in Town" programs.

   Towanda would like to adjust the rental agreement that she holds with the Recreation Department for use of the pottery studio outside of Rec Department programming to include this programming.

   The Board of Selectmen suggest that Towanda make an agreement to host these programs as an outside instructor through the Recreation Department, as it would simplify the process and the Department has a history of securing BYOB licenses for events.

3. Reviewed Coastal billing information

4. Met with Mike Hanson concerning garage bay rental

   At this time the Town has received no notification from Brad Brown that he would like to abandon his lease. Were Brad to give up his lease, the rental bay would be made available to the general public for rental.
