MINUTES OF MEETING

July 17, 2014

Board of Selectmen

Town of Long Island, Maine

Present: Tom Hohn, Chair (6:00 PM), Marie Harmon, Selectman, John Condon, Selectmen, Brenda Singo, Town Clerk, Erin Crowley, Island Institute and Brian Dudley, Town Administrator

Town Clerk Singo administered an oath to Brian Dudley for the purposes of recording Board of Selectmen meeting minutes.

Marie Harmon convened the meeting at 5:20 PM. A quorum was present.

Ralph Sweet updated the Board on the status of the municipal cemetery. He noted that all of the lots are full and there is no more capacity until an expansion of the existing site or the development of another new site. Ralph also noted that there are two other possibilities for new cemetery locations which need to be reviewed in more detail.

Ralph noted that he has three (3) contractors interested in submitting bids for the required work. Ralph said that additional research needs to be done on location issues before a final decision. Nancy Jordan had also noted that there was not enough time to include this project in the upcoming Maine Bond Bank process. The matter will be further reviewed at a future meeting.

Tom Hohn updated the Selectmen on the status of the Fire Department computer hard drive issue.

The next meeting of the Board of Selectmen is scheduled for Thursday, July 24, 2014.
