ARTICLES 27 AND 28 RAISE FUNDS FOR THE PROPOSED SCHOOL BUDGET

Article 27. To see what sum the Town of Long Island will appropriate for the total cost of funding public education from Kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (State recommends **$247,147.02**) and to see what sum the Town of Long Island will raise as its contribution to the total cost of funding public education from Kindergarten to grade 12 as described in the Essential Programs and Services Act in accordance with Maine Revised Statues, Title 20-A, section 15688.
The School and Finance Committees Recommend $232,355.88.
Vote: U

Explanation: The Town's contribution to the total cost of funding public education from Kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars minus General Purpose Aid, which this year is projected to be $14,791.14.

ARTICLE 28 IS REQUIRED TO HAVE AN ACCURATE RECORDED HAND COUNT

Article 28. Shall the Town of Long Island raise and appropriate **$206,044.98** in additional local funds, which exceeds the State's Essential Programs and Services funding model by **$300,334.98** as required to fund the budget recommended by the School Committee?

The School and Finance Committees recommend **$206,044.98** for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by **$300,334.98**: EPS does not fully support all the necessary costs of a K-12 educational program, such as: (1) Special Education costs (2) transportation and bus costs and (3) staffing required in a small K-5 school.
Vote: 66 Yes – 0 No

Explanation: The additional local funds minus anticipated revenues are those locally raised funds over and above the Town's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Town budget for educational programs.

ARTICLE 29 SUMMARIZES THE PROPOSED SCHOOL BUDGET

Article 29. Shall the Town authorize the School Committee to expend **$547,482.00** for the fiscal year beginning July 1, 2017 and ending June 30, 2018 from the Town's contribution to the total cost of funding public education from Kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy, and other receipts for the support of schools?

The School and Finance Committees Recommend $547,482.00.
Vote: U

*Explanation: This is a summary article and approves expenditures of the proposed budget of **$547,482.00**. This article authorizes the School Committee to spend the money appropriated in the previous articles, plus other revenues. This article does not raise any additional money*

Article 30. Shall the Town vote to appropriate the following Revenues, Balances Carried and Fund Transfers, to cover the expenditures appropriated in the previous articles? Remaining funding required to be raised by taxation.
