

CEO

Jim will be in tomorrow but I will be out.

Septic inspection report for 164 Atlantic Lane for Jim to review

We received a septic inspection for 940 Island Ave but it is done by a company Jim does not know and was trying to find out if they are a licensed soil engineer

Jim will follow up with Peter Evans in regard to final septic inspection

There are two internal plumbing permits to be reviewed/ issued

Maureen Thomas will come meet with Jim regarding a couple of her parcels

Maine Island Trails Association has reached out to have Jim come do an inspection on the small building they built on Chebeague
