We received a letter of concern from Carmen Robertson regarding the proposed septic system for McAleney's

Ed submitted a building permit to put a 16x24 addition on Tim and Judy Churchard's house on Messalonskee

In inquiry has been made if Doug Grant has any building permits issued for new towers, a neighbor thinks he is clearing to build one

Still nothing from Peter Evans regarding abbuter notifications for his new septic. I drafted a letter but Jim wanted to reach out one more time

Maine Island Trails Association and Jim have not set a date yet for the inspection on Little Cheb. yet.

A realtor has asked Jim to look a lot with her tomorrow in regard to what can and can't be done.

Backman Lot 663. This shed was to be removed last spring but other than the front wall, nothing happening. Jim will was going to reach out to Ed to see when he will take it down
