CEO

Maureen Thomas has left a survey for Jim to look at and let her know if building would be ok.

Jim inspected the septic at 495 Island Ave/ Lot 517 last week with Matt Logan and it was discovered that the system was not installed correctly. Work will need to be done to rectify the system.

Churchard, 33 Messalonskee / Lot 670, had submitted a building permit for a 16x24 addition. Jim reviewed the site on 10/8 and signed the permit. Tim dropped of payment on Tuesday

Backman- 34 Messalonskee/ Lot 663, as I understand this shed has not been taken down yet but is pending.

We have not received formal application and abutter notification for the McAleney's septic at 11 Garfield / Lot 314 but have received a written letter from Carmen Robertson with concerns

Still nothing from Peter Evans regarding abbuter notifications for his new septic.

Maine Island Trails Association has built a caretaker building and are installing a mini Eljen system. They have been working with JIm to get them inspected. J

Rob Davis, 100 Eastern Ave/ Lot 936, has been working with Jim to get a building permit to replace beach stairs they currently have.
