

## PUBLIC NOTICE

The Board of Selectmen met again during a Special Board Meeting on April 24, 2024 to continue their review of the proposed draft ordinance for the regulation of golf carts usage on the island.

This followed a public hearing on April 17th as well as the input from several people via e-mail and additional comments received during this special board meeting.

The printed draft ordinance labeled Article 48 contained in the recently mailed Annual Report has been replaced with the proposal that was approved by the Selectboard on April the 24th.

The latest proposal is contained in the final approved warrants articles posted on the town website and distributed to subscribers of the town and LICA ListSrvs.

Additional copies of this revised golf cart regulation proposal will be available at the annual town meeting on Saturday, May the 4th.
